Treaty Workshops

**For community groups
and members of the public**

If you have 15 or more people who want to attend a Treaty workshop, and can organise a venue, we can provide the facilitators for free.

These workshops vary in length from 3 to 12 hours and are not assessed.

For people who want the basics:

► **Introduction to the Treaty**, including those involved and what their reasons were; why there are two documents and what they say; and what happened afterwards.

For people who already know the basics:

► **Current events relating to the Treaty**, including the Waitangi Tribunal, Treaty principles and the fiscal envelope.
► **Applying the Treaty**, including a simple self-audit.

For more information about hosting a workshop, or to join one organised by someone else, contact education@trc.org.nz.
